

New Buyer's Guide Input Program Instructions

25 items for \$25 – each additional listing is just \$1 more. Your items will be tracked and the cost of your purchase will be calculated in real time so you know what your selections are costing you as you go. When complete, submit your form, an itemized list of your selections will appear – print that page for your records. You will receive an invoice reflecting the amount shown. Thank you for your support!
