The ISA-Niagara Frontier Tech Show & EXPO is an integral part of the Section's Educational Program. It provides an opportunity for all persons concerned with advancing the science and technology of instrumentation, systems and automation; to discuss and learn about current concepts, equipment and related services and applications through presentations, displays, demonstrations, and more.

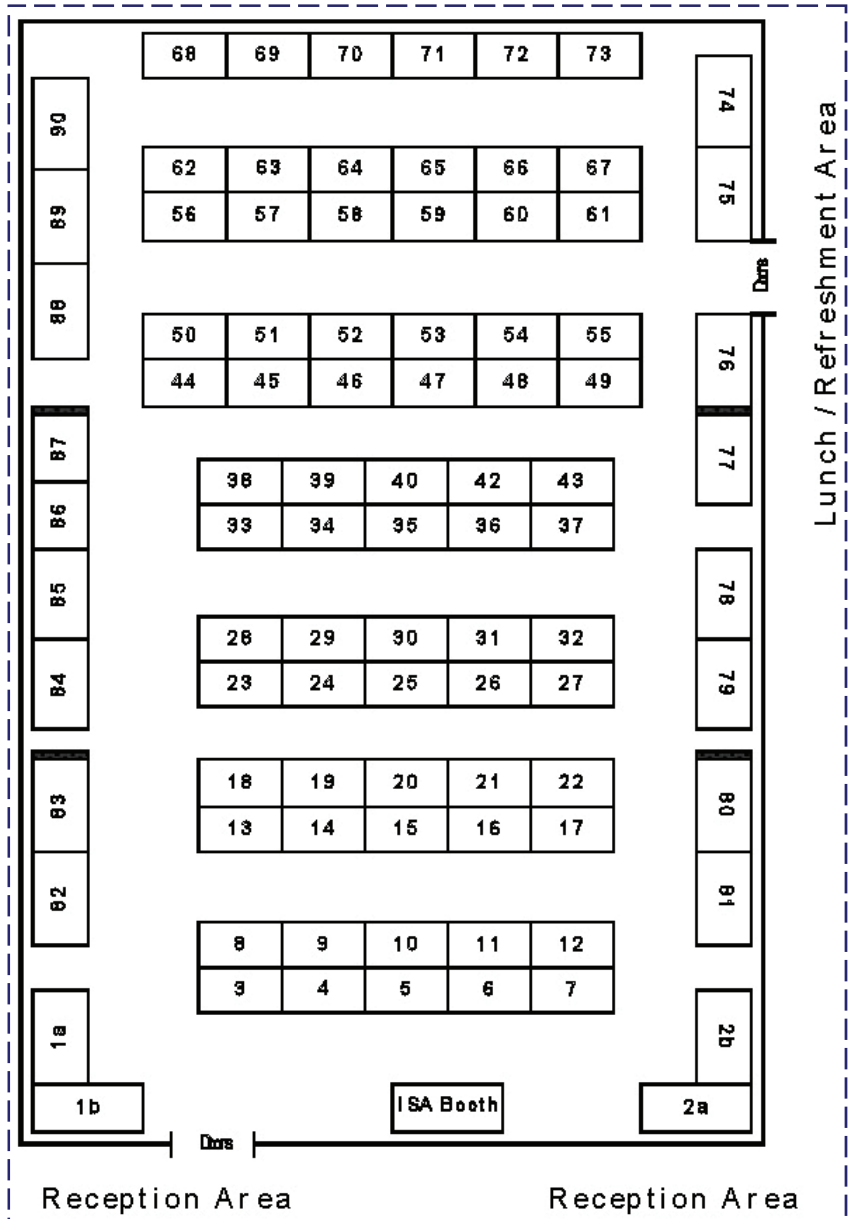

As a Tech Show & EXPO Exhibitor you are invited and encouraged to host an educational seminar on the use and application of your products and technology.

Exhibitor Reservation Floor Plan

Exhibitor Seminar Schedule	
Informational & Educational	
12:00noon - 12:50pm	To Be Announced
1:00pm—1:50pm	To Be Announced
